**CAVALIER**

# foreword

We live by traditions and they have become integrated with our high school life. Through our campus we feel a close kinship to those who have preceded us, and through them we have become conscious of our unique heritage as students of George Washington High School.

Our loyalty is strongly evident in the harmonies of the Alma Mater, in the striking school colors, and in the resounding yell at a pep rally. We are proud of the physical structure of our new building and of the closeness which unites the student body.

"We will hold in our memories, cherished thoughts of thee." It is by these familiar traditional words that we pledge to always be a part of the rich heritage of George Washington.

It is hoped that in looking through this 1958 CAVALIER, you will feel the greatness of devotion which is felt by each of us to the traditions of George Washington High School.

## judiciary

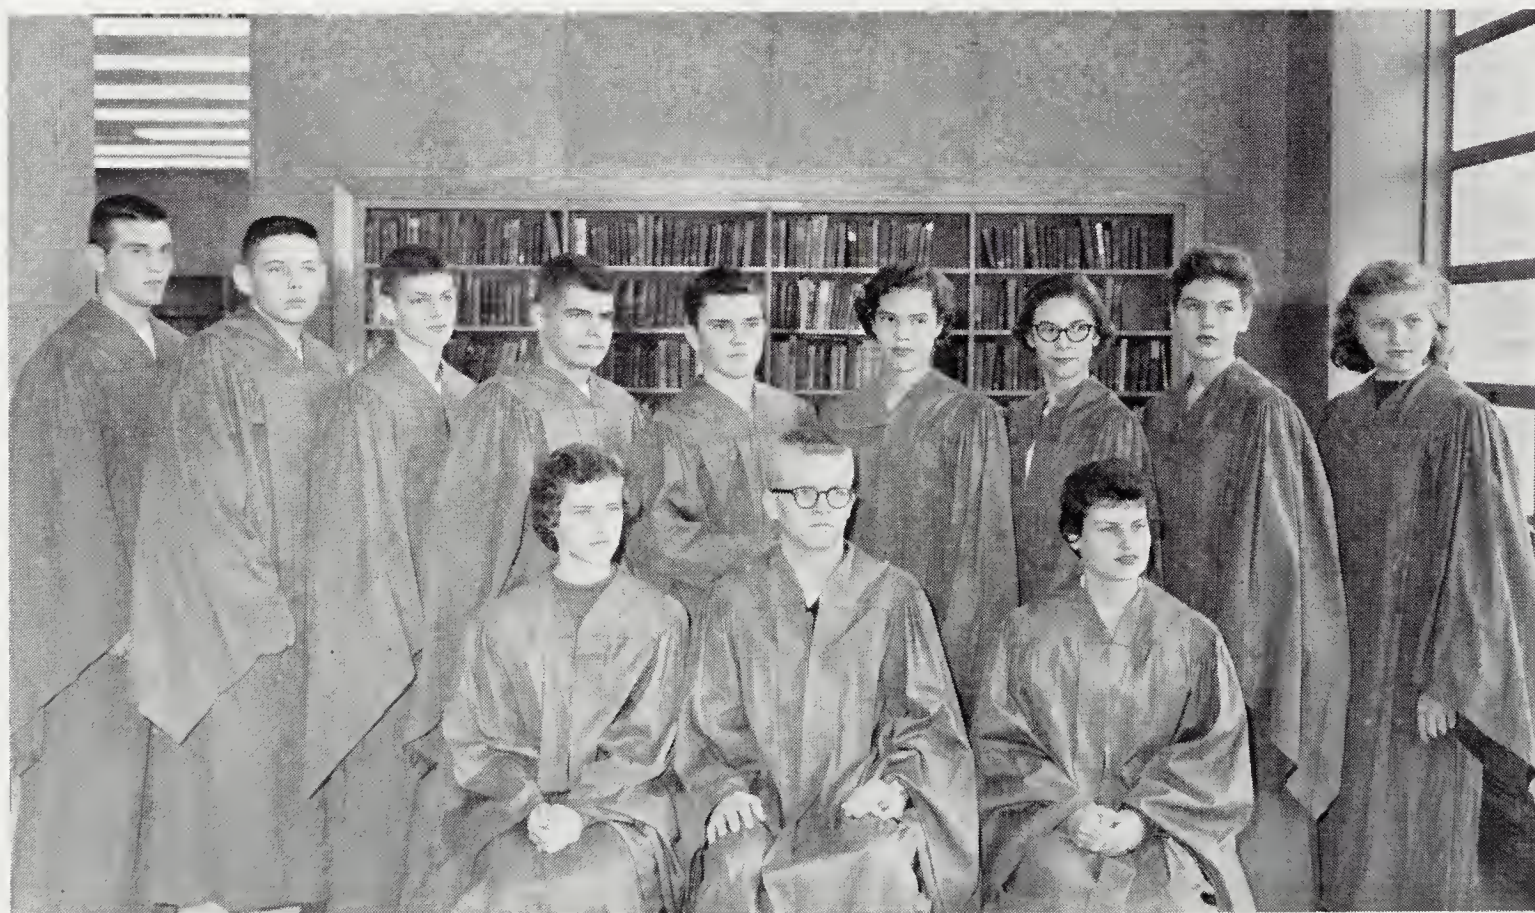

The George Washington High School Judiciary is composed of four seniors, four juniors, two sophomores, and two freshmen, along with the three officers of the Student Council.

This governing body of the Student Council has as its leaders this year Charlie Crowder, Jo Annette Savage, and Nancy Pretty.

The main purpose of the Judiciary is to hear cases involving breach of honor and dishonest practices among students. It suggests suitable punishment for students involved.

Members of the Judiciary help to promote school projects. They also serve as guides for the orientation of new students entering GW in the coming year. Another duty of this group is the tabulation of votes in all major elections, such as the S. C. A. officers held at the end of each year.

A student, to be eligible for membership, must have a scholastic average of eighty or above and must never have appeared before the group for any reason.

*Seated:* N. Pretty, C. Crowder, J. Savage

*Standing:* T. Alfrend, E. Baxa, B. Savage, J. Gantsoudes, W. Miles, L. Abercrombie, C. Garrett, L. Beale, M. Weakley.

## student council

The Student Council of George Washington High School consists of one representative from each of the fifty homerooms, twelve members of the Judiciary and the three officers, elected by the student body. The homeroom representatives are chosen for their qualities of school spirit, leadership and must maintain a C average.

Law-making and law-governing are the main duties of the Student Council. Each member of this group sets an example of behavior for the other members of the student body to follow.

The main project of the Student Council this year was to raise seven hundred dollars to send a G. W. student abroad for the summer. Some of the other projects undertaken were the Red Cross Drive, printing of Student Directories, Clash of the Classes, Faith Home Drive, and selling of GW pennants.

The Student Council is the most important of all school organizations because it is the representative body for the school, through which each student can have a voice in the school government.

Charlie Crowder sells Pete Cash and Ruby Young a GW pennant—one of the Student Council's activities to raise money for the Foreign Student fund.

## interclub council

The Interclub Council is under the supervision of the Student Council. It is composed of the three officers of the Student Government Association and the presidents of all extra-curricular organizations of the school.

The purposes of the Interclub Council are to work to foster better relationships between all extra-curricular organizations of the school and to coordinate all school activities in conjunction with the Student Council.

The main project of the Interclub Council this year is to cooperate with the Student Council in their project of sending a George Washington High School student abroad for the summer.

# national honor society

The National Honor Society tapped thirty-three new members at an assembly program in November. These were selected by a faculty committee composed of Mr. Christopher, principal; Miss Walton, sponsor; Miss Estes, chairman of the senior sponsors; Mrs. Davis, guidance department; and Mrs. Cotton, faculty at large. Scholarship was the primary consideration in selecting the new members; however, character, leadership, and service were also considered.

In order that more seniors may compete for the National Honor Society Scholarships, the number of juniors elected in March was increased. This scholarship is based on the score made on the Scholastic Qualifying Test which is given in October.

The Honor Society, in cooperation with two other organizations, won recognition in the fall by having the winning float in the annual homecoming parade. A committee continued the work on the file of the achievements of the past members. The year closed with the annual banquet.

## quill and scroll

The badge of the Quill and Scroll Society is symbolic of the painstaking efforts of the scribes of old to record the events and thoughts of their time in permanent form.

Quill and Scroll is the International Honorary Society for High School Journalists which takes an active part in raising standards in the field of journalism. The purpose of this society is to encourage and reward individual achievement in journalism and allied fields.

To qualify for membership, candidates must be elected from the newspaper, yearbook, or magazine staffs; they must be of junior or senior classification; they must be in the upper third of their class in general scholastic standing at the time of their election. Also, they must have done superior work in writing, editing, or business managing; they must be recommended by the school principal or publication advisor; they must be approved by the executive secretary of the Quill and Scroll Society.

# the 1958

The CAVALIER, George Washington's annual, has consistently been judged first place in the C. S. P. A. and S. I. P. A. contests. To continue the good work, this year's staff worked diligently to capture the true CAVALIER spirit and record forever the wonderful experiences of our high school days.

The CAVALIER covered all school events and entered a float in the Homecoming Parade with the other two publications.

In order to raise funds, the staff sponsored the Mr. and Miss G. W. Contest, held an open house, sold turkeys, and sold senior name cards.

We of the '58 CAVALIER sincerely hope that this book will serve as a fond remembrance of your years at G. W.

A club for first year Spanish students was organized to foster interest in the Spanish language and customs. This organization gives the students a greater opportunity to learn about their Spanish-American heritage.

The activities of the club included the learning of Christmas carols in Spanish, the viewing of Spanish movies, and the composing and presenting of skits.

In cooperation with the second year Spanish Club, this group sent a basket to a needy family at Christmas.

The purpose of the Second Year Spanish Club is to further the interest in the language by learning more about Spanish speaking countries, their people, and their customs. The foreign language itself is used more, and movies and outside speakers add variety to the meetings.

These groups present programs of varied types of music in churches, before civic groups in Danville, in George Washington assemblies, and various other schools in the community.

A program of varied selections was presented to the American Association of University Women at Averette College, the Grove Park Woman's Club, and the Danville Rotary Club. Programs of religious music were presented for Calvary Methodist Church and the Hanging of the Greens at the Y. W. C. A.

The choruses are at present working on the project of getting new vestments. Some of the funds came from the "Miracle in the Castle," and the school is also contributing to the cause.

The Dramatics Club and Glee Club combined talents to produce the moving drama, "Miracle in the Castle."

To be eligible for the Dramatics Club a student must take a credited course in drama at George Washington. Anyone that fulfils this requirement and so desires can become a member. The Dramatics Club is sponsored by Miss Dorothy Fitzgerald and its main aim is promoting theatrical interests and talent. Each year the club enters a dramatic production in the Western District Forensics Meet. In 1957 George Washington's entry won first place, as it has in previous years.

The Christmas play this year, "Miracle in the Castle," written by Miss Fitzgerald, was produced through the efforts of the drama classes, Dramatics Club, and the stage construction class.

Besides acting, the members are given instruction in make-up, costumes, props, and various other facets of theatrical production which provides valuable experience for any student who desires a career in this field.

*"We go!" . . . The cheerleaders encourage the crowd to yell as the Cardinals near the end zone.*

The Varsity Cheerleading squad is composed of fourteen girls, two of which are alternates. The purpose of this group is to create school spirit among all students.

For the first time, the cheerleaders were given a class period for the purpose of practicing cheers and preparing for games.

In order to finance their undertakings the cheerleaders sponsored an Open House. During the year they also sold ribbons bearing the name of the school.

Under the guidance of Mrs. Mary Bacon and led by Irene Baum and Pat Browder the cheerleaders have worked hard to promote school spirit.

The cheerleaders serve for one year after being chosen in the spring by faculty members and may be re-elected.

## j. v. cheerleaders

Chosen by the faculty, the Junior Varsity Cheerleaders consist of ten girls from the Freshman and Sophomore classes.

These cheerleaders, with Miss Nan St. John as sponsor, have cheered at all the Jayvee football and basketball games and have promoted school spirit by making posters, cheering at the pep rallies, and making pep talks to encourage students to come to the games.

# football

Coach El Wilson and his gridders marched gallantly into a season, destined to bring great anguish and disappointment. Sporting only ten seasoned men and battling the Asian flu were continuous drawbacks to the hard-hitting squad who showed a definite improvement during the course of competition.

Even with these tremendous burdens, the experienced team took two victories of a total of ten outings compared to the one-win season of 1956. Several of the lost causes found the Redbirds way out in front in all departments except the final score.

This year the Cardinal gridders were host to the Reidsville Golden Lions in their 1957 season opener. The much improved Reidsville eleven were held close in tack the first half but

exploded early in the third quarter to fleece the outmaneuvered Cards 26 to 0. Facing a three-game road stand, the Redbirds met their first opposition when they clashed with Andrew Lewis Wolverines of Salem. Fumbles by both teams snuffed out possible scoring chances but Salem managed a shutout with a score of 7-0. Journeying to Pulaski to face a team new in Group I football, the Wilson men again showed good potential in the early periods but long end runs by the Orioles in the second half spelled defeat for the Cardinals, 39-12. Continuing on the road, GW turned to Covington. The Cards were able to shove the Cougars around the field, but as the clock stopped, the scoreboard tallied a 13-7 win for Covington. Lewis Everett made a touchdown and Otis Bradley ran for the extra point for the GW score.

*First Row:* B. Wentz, T. Vaughn, W. E. Samuels, R. Henderson, G. Ellison, T. Wilmarth, T. Alfrend, R. Collis, W. Clifton, J. Squires.

GW's outstanding quarterback, Lewis Everett, demonstrates his athletic prowess by catching a Redbird pass.

Returning to Danville for a two-game home stand, the Cards prepared to meet their biggest arch rivals, E. C. Glass of Lynchburg, in a tilt which gave the Hilltoppers a swamping victory of 37-7 over GW. A long drive for a touchdown by Bill Wentz and an extra point by Ronnie Bryant, prevented a Glass shutout. Facing the Halifax Blue Comets, the GW gridders made their annual Homecoming Game an occasion to celebrate when they trounced the Comets for a score of 7-6 and their first victory of the football season. Otis Bradley and Bryant brought in the points for the home forces.

Taking to the road again, the Redbirds were handed a shutout by the Martinsville Bulldogs, a Group II squad sporting a fine record. The final score was 19-0. The following week the Cards had no luck in the Magic City as they attacked

the William Fleming Gridders of Roanoke. The Cards were blasted for a 33-19 Fleming victory although Jerry Squires scored three times for the Danville Redbirds. In their last road game of the season, the GW gridders clashed against undefeated Jefferson Senior of Roanoke. With odds greatly in their favor, the Magicians underdoged the Cards with a crushing 47-0 victory.

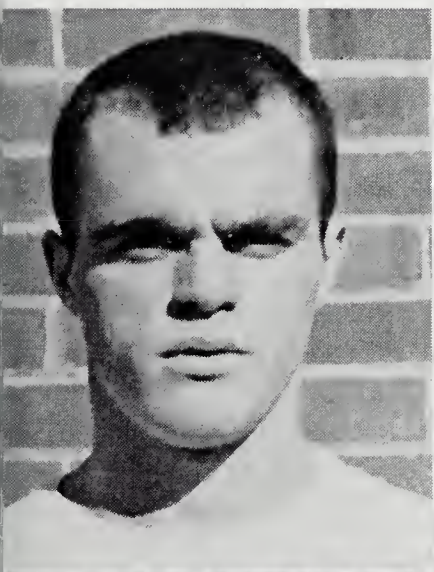

Returning home for the last game of the season and a second win, the Cardinals were able to push the pigskin over the goal line more than Appomattox with W. E. Samuels and Everett scoring touchdowns for a 13-6 score, thus tallying two wins and eight defeats for the Redbirds' football season.

Receiving the "Most Valuable Player Award" this year was Lewis Everett, an outstanding quar-

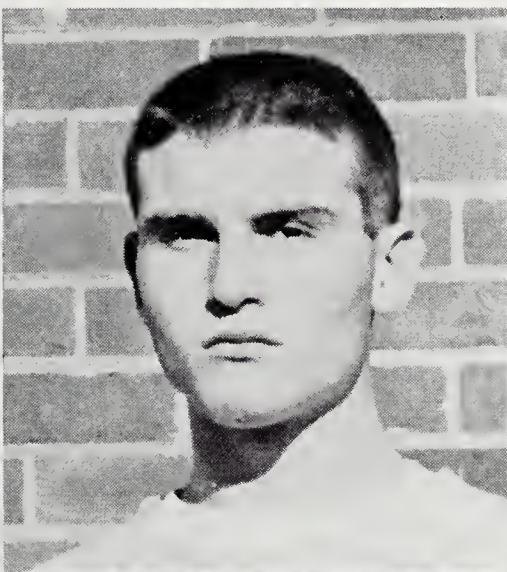

terback, who was voted as the recipient of the award by his teammates. The trophy was presented to him at the annual football banquet sponsored by the Boosters' Club.

Twenty-four members of the squad were presented monograms for outstanding football participation this year. Those seniors receiving the awards were Terry Alfrend, Don Arey, Luther Bradley, Ronnie Bryant, Wayne Clifton, Russell Henderson, Walter Isley, Gus James, W. E. Samuels, Tommy Vaughn, and Terry Wilmarth. Other members awarded monograms were Otis Bradley, Richard Camp, Bucky Carr, George Ellison, Lewis Everett, Buddy Bennett, Jim Gantsoudes, Ken Lumpkin, Arthur Matney, Bo Savage, Jerry Squires, and Bill Wentz. Elton Shreve, Wayne Cheek, and Eddie Ayers were managers who received monograms.

BILLY CHEEK reaches for the rebound as a Reidsville player gives him competition.

Out of a team embracing only one returning letterman, Coach George Carter guided the George Washington cagers through a 6-7 conference stand and to the Western District Group I playoffs, where the Cards took the fourth place spot. Their overall season record tallied 11-8.

The Cards opened their season by defeating Dan River 47-39. Advancing on the road, the GW team was taken by a strong Martinsville squad 63-52. The Cards then won four straight over Pulaski 52-38, Chatham 84-50, Rox-

boro 56-51, and Chatham 70-49. In their next meet the E. C. Glassmen edged the home forces for a 51-47 victory. Within the same week the Redbirds fell to Halifax County 51-40 in a thriller. In another exciting game, continuing their winning streak, GW downed Andrew Lewis 38-37, William Fleming 62-50, Covington 66-30, and Martinsville 63-49. Again the Cards faced the powerful E. C. Glass team which proved too much for the home cagers in their second meet of the season by winning 62-44. In their return meet with Halifax County,, the Redbirds were taken by a 46-37 score. Winning three straight from William Fleming 57-47, Covington 90-37, and Andrew Lewis 71-49, GW was then turned back by Jefferson Senior 46-28. Again meeting Jefferson Senior in their last meet of the season, GW took a 61-51 defeat.

In their first game of the Western District tournament in Lynchburg, the Cards lost to the district champion E. C. Glass by a 64-36 score. Meeting Halifax County High in the consolation contest, the GW cagers were nosed for a 45-44 loss, the Comets gaining a lead in the last seconds of the game.

JERRY LEACH battles for the ball in last moments of the game.

Under the coaching of John Fields, the GW Jayvee Basketball Squad came through with 6 wins and 9 losses for their season record. Guard Mike Heitzler and center Wayne Duncan were outstanding scoring stars for the young Birds.

In their season opener, the Jayvees fell to Martinsville 49-33, but they came back for a 34-14 win over Chatham. Seeking revenge after a 45-28 Roxboro win, the Cards downed Chatham 45-11. E. C. Glass took GW for a 47-38 victory, but the Cards sprang back by beating Halifax County 45-37. Falling to Andrew Lewis 36-35, the young Birds handed William Fleming a 40-25 score which was followed by four losses to Martinsville 49-42. Winning their next two over Andrew Lewis 55-33 and Jefferson Senior 36-24, the Junior Cards closed out their season with a return meet against Jefferson Senior who handed them a close 48-45 score.

Coached by Lefty Wilson last year, the Cardinal baseball team tallied seven wins out of their 14 game schedule for a .500 average.

After dumping Reidsville 3-1 in their opener, the Redbirds took two straight loses from Leaksville 7-5 and Spring Garden 5-3. They recovered quickly from these defeats by downing Hargrave 4-1 and Dan River 3-1. Cobb Memorial and E. C. Glass handed the Birds two more straight defeats with scores of 6-5 and 7-5 respectively. Following a swamping victory over Halifax County 15-5, GW took a beating from Hargrave 5-3. Three straight wins over Cobb Memorial 3-2, Dan River 6-5 and Spring Garden 2-1 were matched by Halifax County beating the Cards 5-1 and E. C. Glass dumping them in their last game of the season with a 15-5 score.

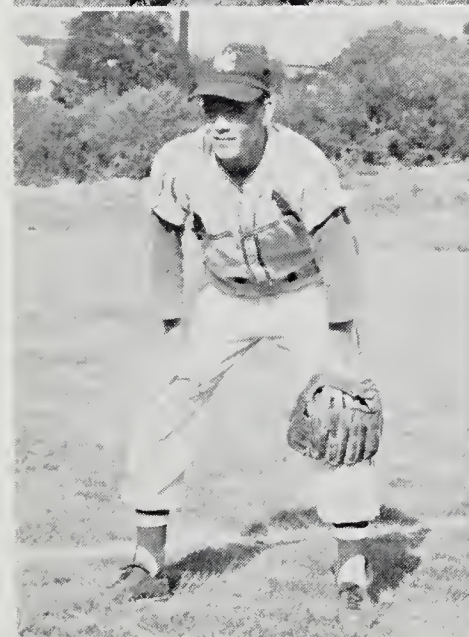

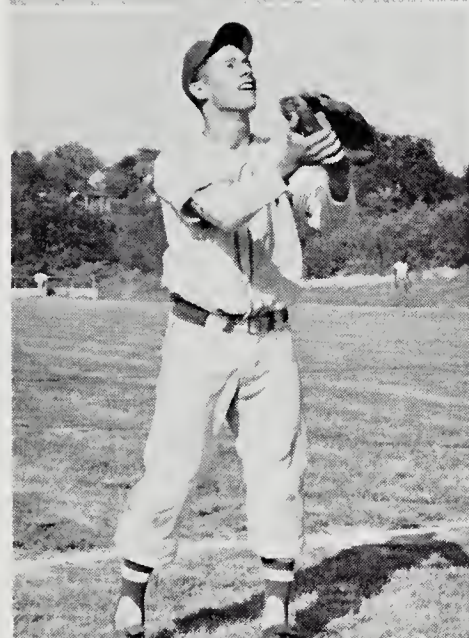

Outstanding glovemen for GW last year were Donny Cole, David Crawford, Budge Kent, Richard Gravely, Bob Garrett, Terry Alfrend, Jerry Chaney, W. E. Samuels, George Ellison, Bob Martin, Richard Haymore, Luther Bradley, David Meadows, and Jimmy Moore.

Many of Coach Wilson's charges were lost through graduation but prospects for this season look good.

Coach LEFTY WILSON praises his two managers WAYNE CHEEK and EARLE MITCHELLE.

## wrestling

An impressive 8-3 record gave the GW wrestlers, coached by Joe Gurtis, another fine season.

Dropping their first match of the season to highly regarded William Fleming 30-16, the GW wrestlers continued on the road as they took the VMI Freshmen for a 21-9 win. On home mats the following week, they were thrown for a 24-18 loss to Jefferson but

avenged themselves by winning over the Virginia School for the Deaf and Blind 29-15. An impressive 6 win record followed with GW taking William Fleming 28-16, Greensboro 25-8, Greensboro again 38-8, Jefferson 28-14, VMI Freshmen again 18-10, and finally Blacksburg 29-11. A return meet with Blacksburg resulted in a close 24-23 defeat for GW.

Traveling to the Virginia High School League Tournament at Norfolk, the GW wrestlers took the number 7 spot with a 34 point team score. Lewis Everett who had won 11 consecutive matches for the GW forces during their regular schedule, entered the tournament with a perfect record but was decisioned in the State Championship finals, placing him second in the state. Otis Bradley and Luther Bradley placed 3rd in state and Mac Liles placed 4th. Luther Bradley and Pat Campbell will be lost by the GW grapplers next season through graduation.

## tennis

Guy Webber and his Cardinal netmen experienced their most successful year to date by boasting a 9-3 season record and the Western District Championship.

KARR LINKOUS, one of the tennis team's outstanding players, returns the ball over the net.

Opening their season by beating Reynolds High 7-2, the Cards were then shut out by the UNC Freshmen 9-0. A two consecutive win record over Jefferson of Roanoke 5-4 and HMA 6-2 was upset when the Cards lost their return match with Reynolds High 5-4. Again a two win streak over VPI Extension 8-1 and E. C. Glass 8-1 was broken by a loss to the UVA Freshmen 9-0. But the Cards avenged themselves by winning their next four return matches: VPI Extension 8-1, E. C. Glass 5-4, HMA 6-3, and Jefferson of Roanoke 5-4. Their last win gave the GW squashmen the Western District Championship.

The Cards' chances for winning the State Championship tournament were snuffed out in the first round of play against Maury High of Norfolk by a 9-0 count. Karr Linkous was the only man who managed to win a set.

Prospects for the coming season look very favorable since most of the returning team are lettermen with a loss of only two men from this past year's winning squad.

## golf

Coach LADD demonstrates the correct procedures for a winning golf team to FRANK MERCHANT, CHARLES RICH, and PETER VANDERWERFF.

By capturing the State Championship for the second consecutive year, the GW linksmen, guided by Mr. Bernard Ladd, presented a fine overall record with a 4-4 season stand in schedule competition.

Meeting the Wake Forest Frosh in their opener, the GW Cards were turned back by a  $10\frac{1}{2}$ - $7\frac{1}{2}$  score. The home forces came back the following week with a 10-8 victory over R. J. Reynolds of Winston-Salem. Again the college boys proved too much for the Birds when the UNC Frosh dumped them for a 18-10 win. Avenging themselves, the Cards then won two straight from Halifax County and Jefferson Senior with scores of 18-0 and  $11\frac{1}{2}$ - $6\frac{1}{2}$  respectively. But the Cardinal Team then took a double fall when they were trounced by Winston-Salem 12-6 and Jefferson Senior  $16\frac{1}{2}$ -1. In their last match, the GW linksmen gave Halifax County a beating with an impressive 18-0 score.

Closing the season, the Cards were hosts to the annual VHSL golf tournament. Although they did not win the individual scoring trophy, the Cardinals captured the state championship for the second straight year by coming out in front 32 strokes of second place Granby High.

Frank Merchant, Peter Vanderwerff, Jimmy Feldman, and Wright Garrett are returning lettermen for this season.

*First Row:* R. Coleman, L. Motley, R. Groff, K. Shelton, J. Gantsoudes, B. Savage, D. Arey.  
*Second Row:* T. Wilmarth, B. Wentz, J. Clark, R. Henderson, L. Everett, K. Lumpkin, G. James.  
*Third Row:* T. Arthur, B. Carr, B. Bennett, B. Cheek, D. Gery, Manager.

## track

Although the GW thinclads managed only one win out of a four match season, they broke three high school records thus presenting an outstanding season showing.

In their first match of the season, the Cardinal runners engaged in a triangle meet with HMA and Halifax County. Hargrave led the event with 99½ points, followed by Halifax with 23½ points. GW closed the scoring ranks by tallying 17½ points. Defeat was in store again for the Cards as they met Halifax for the second time on the HMA track. The powerful Halifax team turned the Cards back with an 80-36 score. Another meet with Hargrave gave the Cards their third defeat of the season as the HMA thinclads tallied 85 points. The GW runners were held to 25 points. Too many defeats and no wins pushed the Redbirds to an overwhelming victory over the Martinsville Bulldogs in the Cards' last meet of the season. Thomas Arthur broke two high school records during this meet by pole-vaulting ten feet and one inch, a good one inch better than the old record, and by broad-jumping two and one quarter inches more than the previous 19 feet, six and three quarters inches record. By running the mile relay in 3:42, the Cards broke the old record of 3:46.

Those boys receiving letters were Charlie Rowe, Billy Cheek, Terry Wilmarth, Don Arey, Buddy Bennett, Don Cole, Thomas Arthur, Ken Shelton, Bill Wentz, and Ed Ragland.

DON AREY practices hurdle jumping for a track meet.
